

Crash courses timetable

MISS 2023/2024

Sant'Anna School of Advanced Studies

The crash courses (CCs) are optional, introductory courses, that the lecturers from the Scuola Superiore Sant'Anna offer to the new MISS students in order to allow you to familiarise with some of the subjects and topics that will be covered during the first academic year. We are aware that the MISS students have heterogeneous backgrounds, and the CCs serve the purpose to lay down the foundations of the subjects that you didn't have the chance to study during your bachelor's degree. You are free to choose how many of the CCs you wish to attend, for each of them the MISS Executive Board recognizes 1 CFU (see the Manifesto, under "other activities"). The courses will be offered both in presence (in Room 6 in Via Cardinale Maffi 27), and online, please send an email to miss@santannapisa.it and marta.stroppa@santannapisa.it to let us know which course(s) you wish to attend **by 11th September at the latest.**

Available crash courses:

- Introduction to Statistics, by Prof Chiara Seghieri
- Introduction to International Relations, by Dr Laura Berlingozzi
- Introduction to Political Philosophy, by Dr Alessandro Chiasso
- Introduction to International Law, by Marta Stroppa and Dr Alessandro Mario Amoroso
