

## Annex 4

## Ph.D. in Economics

https://www.santannapisa.it/en/formazione/international-doctoral-programme-economics

On andly of an	Coordinator: Prof. Alessio Moneta
Coordinator	e-mail: alessio.moneta@santannapisa.it
Language	English
Duration	4 years
Number of positions available	At least 4 scholarships, for 4 years.
	The Selection Committee is also entitled to admit to the PhD programme up to three additional eligible candidates obtaining a grant or a scholarship from a public or private sponsor, under the provision that such funding is at least equal to the amount provided by a regular Sant'Anna scholarship (including 4-year grant plus funding for research and period abroad), amounting to a minimum of € 24.300,00 per year.
Scholarship amount	15.343,00 Euros (gross) paid in deferred monthly instalments The gross amount includes social security contributions payable by the recipient
Submission deadline for the online application	April, 4th 2022, 11.00 am (Italian time)
Documents required (to be attached to the online application under penalty of exclusion)	<ol> <li>copy of a valid identity document.</li> <li>CV including all the information about education, scientific and professional experience that can demonstrate skills and attitudes to carry out research in Economics;</li> <li>academic transcript of examinations passed in the MSc degree, indicating the mark received for each course attended</li> <li>only for candidates who obtained their qualification outside Italy: copy of MSc Degree Certificate or equivalent qualification translated into Italian, English or French</li> <li>copy of the Master's thesis if available (otherwise a copy of the abstract in English, French or Italian);</li> <li>a research project describing the research that the candidate would like to carry out during the doctoral programme. Once admitted, candidates will be free to change the research topic. The research project is meant to provide some insights into the applicant's interests and capabilities and is an important element for the assessment of his/her potential.</li> </ol>
Documentation not mandatory	Should applicants wish to send recommendation letters written and signed by academic scholars or other experts who had the opportunity to assess the applicant's work during his/her university studies, they are required to add name, surname, and institutional e-mail address of these experts in the application process. These experts will receive a link where they can directly upload the reference letters. Letters can be uploaded till three days after the deadline. The reference letter should provide a clear assessment of the candidate's

	competences and skills, of her/his potential for doing research, his/her scientific maturity, and interests, if possible, in comparative terms with other students attending a PhD Course in Economics known by the referees over the last five years. The letter should also indicate the applicant's knowledge of the English language and her/his general attitude to undertake a PhD course.  - Publications and any other documentation that may contribute to provide an assessment of the candidate's skills and attitudes;  - Official certifications (TOEFL, IELTS) demonstrating a good knowledge of the English language, if available
	The selection of successful candidates is based on the documents submitted by the candidates.
	The Selection Committee, appointed by the Rector of the School, will assign a score from 1 to 100 based on a candidate's academic records, publications, and research project, considering both their quality and their relevance for this PhD Programme.  A minimum score of 70/100 points is required to be considered eligible for the PhD Programme.
Schedule of the selection procedures	The ranking of the eligible applicants will be published on: <a href="https://www.santannapisa.it/en/formazione/call-application-2022-23-phd-economics">https://www.santannapisa.it/en/formazione/call-application-2022-23-phd-economics</a>
