EELISA
UNFOLDS "DEMO DAY"
DECEMBER 19TH IN PISA (ITALY)

The first EU-wide **Demo Day** of university-based **Startups**.

The event is part of the **EELISA UNFOLDS** project, which showcases higher education institutions as powerhouses of Innovation and Entrepreneurship and gathers seven top deep-tech startups from the members of the European University EELISA.

This is the first time that a European university has put together startups to display innovative technologies and attract EU-wide seed and early stage funding.

Moreover, this event brings together startup experts and investors representing several sectors and countries that will open up networking opportunities in European markets in Germany, Spain, France, Hungary, Italy, Romania and Turkey.
