The draft of the minutes that follows, was agreed on and approved by members of the Committee. Prof. Giovanni Dosi was nominated as President and Prof. Matteo Barigozzi as Secretary.

Pursuant to art. 5 paragraph 2 of Legislative Decree no. 1172/1948, each member declared that they had no kinship or affinity up to the fourth grade with any of the other members and that there were no reasons for abstention in relation to art. 51 of c.p.c.

The Committee then reviewed the call (published on the School website <https://www.santannapisa.it/it/selezioni/selezione-pubblica-tre-posizioni-di-professoriesse-di-primafascia> as well as Regulations of the School that regard calls for level 1 and level 2 professors https://www.santannapisa.it/sites/default/files/regolamento_chiamate_01102021.pdf, and carried a motion that the committee's work should terminate by February, 2, 2024. The Committee ascertained that Personnel Office communicated that six applications have been received, that five candidates have been admitted to the selection and that one candidate has been admitted with reserve because he is employed at university, outside Italy and the School has required to the Minister if his position is equivalent to the rank of Full Professor, according to ministerial Decrees D.M. 456 of May, 10, 2023.

The Committee agreed, based on the call and the regulations for the call for professors, that they should assess the scientific publications, curriculum and didactic activities of the applicants on the basis of criteria established during the course of the present meeting, making reference to the criteria for the academic and scientific profiles required for access to the teaching staff of the School, as outlined in art. 1 of the call¹ and with respect to the following general criteria:

- The scientific profile of the candidate with reference to the best national and international standards, and in particular as regards scientific production;
- Organization, management and coordination of research groups and participation in national and international research projects;
- Scientific collaboration with other universities, and with public and private organizations both in Italy and abroad;
- Previous didactic activity including teaching in and coordinating training programs of high quality research at universities and colleges, with particular attention to experience abroad or in international contexts;

¹ For access to the School's teaching staff, in addition to the requirements required by art. 2 of the call, the candidates must meet the further following teaching and research qualification criteria, specifically requested by Sant'Anna School: **Research Activity skills:** candidates must hold an outstanding ranking in their discipline in terms of quantity and quality of scientific publications; bibliometric criteria may be used if relevant to the scientific area.

Candidates must submit a document containing a self-assessment of their scientific productions in the international context. In this document they must explain their strength by comparison with the best-known colleagues' production and highlighting their relationships and their scientific reputation in the international research networks.

Teaching Activity skills: Teaching activity in post-graduate courses, particularly in PhD programs, is requested.

Participation in research projects: candidates are required to have been involved in research projects funded through competitive calls e.g. European ERC grants, "Framework Programs" (eg. Networks of Excellence, FET, Integrated Projects, STReP, etc) Marie Curie actions, as well as national funding agencies. Ability In fundraising is welcome.

Publishing activity: the roles of editor and associate editor of scientific journals, editor of book series and other publishing activities or leadership roles in scientific associations held by the candidates will be considered for the purpose of the selections.

- The design and management of new training products, and results achieved;
- Ownership of patents.

The criteria established by the Committee will be published on the School's website.

Following this assessment, the Committee may invite the candidate hold a seminar in English open to all teaching and research staff of the School.

Once the assessments have been completed, the Committee through a resolution passed by a majority of the members, identifies the most qualified candidate to fill the post. In the event of an equal number of votes, the President shall cast the deciding vote.

The Committee then establishes the criteria that it adopts for the evaluation of scientific publications, curriculum and of teaching experience of the applicant.

In particular, the commission will evaluate the candidates on the grounds of the following criteria:

- The scientific profile of the candidate with reference to the best national and international standards, and in particular as regards scientific production related to the sector of the call ;
- Organization, management and coordination of research groups and participation in national and international research projects;
- Scientific collaboration with other universities, in both Italy and abroad;
- Previous didactic activity including teaching in and coordinating training programs of high quality research at universities , with particular attention to experience abroad .

In co-authored works the contribution of the candidate will be extrapolated from the overall research profile.

The Committee decides not to invite candidates to hold a seminar.

The Committee decides to reconvene on October, 13 2023 at 5:00 p.m. in order to review the list of candidates which will be sent by the Personnel Office after the publication of these minutes on the website.

Finally, the Committee unanimously decides to ask the Rector the special authorization to hold also the third and final meeting online, due to the impossibility to reconvene physically in the reasonable future owing to unmoveable teaching and research commitments.

At the end of the meeting, the President will sign the minutes and will send them to the Personnel Office who will then make public the criteria and procedures for the assessment of publications and qualifications.

The attached declarations of the Committee's members will be sent the Personnel Office too.

The meeting was adjourned at 2:43pm.

Read, approved and signed,

The President
