

# Career Advisory

## Sant'Anna Career set up!

- Are you considering your first step towards the job market?
- Are you struggling with your cv creation and wondering how to build a tailored cover letter?
- As a Phd student are you wondering how to impress others highlighting the benefits of a Ph.D. degree?

**Set up your career participating in the workshops dedicated to Sant'Anna Students and Phd to have a quick start for your job search.**

### CV & COVER LETTER

Prepare to impress your future employer with a well-crafted CV and cover letter that highlight your strengths. You'll select key details for your CV, choose the right format, and create a customizable cover letter template for each job opportunity.
