We hereby to announce that the Selection Committee met on July 16th 2021 to assess candidates' qualifications and documentation. The interview of admitted candidates will be held on July 21st 2021 at 9.00 a. m. (Italian time) in alphabetical order, by online connection, ensuring the adoption of technical solutions to guarantee the disclosure of the interview, the identification of the participants, as well as the security of communications and the opportunity to track them.

Each candidate will have to share their screen for the presentation of the research project and their CV (max 10 Minutes).

The Committee recommends a presentation with soft PPT in English.

Each candidate will receive their evaluation by email.

For the interview, candidates will connect to Cisco Webex Meetings platform (it is no need to download any programme) using the following link:
