Intel® Business Challenge Europe 2012

The Intel® Business Challenge Europe 2012 is part of Intel® Global Challenge, worldwide Intel® and UC Berkeley technology business plan competition for university students, graduates and young entrepreneurs organized since 2005.

In collaboration with prestigious education institutions and non-profit entrepreneurship organizations across Europe Intel is building business and entrepreneurship awareness among young people in the region as well as strong relationship with its key stakeholders.

Winners of Intel® Business Challenge Europe (and other regional competitions) go to the Intel® Global Challenge finals held at UC Berkley in November 2012.

Why you should join?

- » 50 000 \$ cash prizes
- » Expert mentoring and training
- » Silicon Valley experience
- » World finals at UC Berkley
