CALL FOR ONE TECHNOLOGY EXPERT

Institute of Communication, Information and Perception Technologies

Sant'Anna School for Advanced Studies – Pisa

Job Position

Sant'Anna School for Advanced Studies announces a public selection based on qualification and competitive exams for one technology expert, following art. 24-bis L. 240/2010; the contract will run for 24 months, with placement in EP category, economic position EP1, in the Institute of Communication, Information and Perception Technologies of Sant'Anna School for Advanced Studies.

Main duties and activities

This role will provide technical and managerial support to the project: “New real time sensors for the determination of chemical and microbiological contamination in environmental and biomedical media” in the fields of optics and optoelectronics, with particular reference to laboratory equipment (for instance Optical Spectrum Analyzer, laser, EDFA).

Admission Requirements

Applicants must hold:

- Master Degree in Physics or Informatics or Engineering or Mathematical Modelling;
- At least five years (also if not continuous) of documented job experience in pertinent fields;
- Excellent knowledge of both English and Italian language.

Application and attachments

Candidates are requested to apply to the Managing Director of the Sant'Anna School of Advanced Studies, Piazza Martiri della Libertà, n. 33, 56127 Pisa – Italy.

Attachments:

- Resume/Curriculum vitae;
- Copy of ID;
- Certified translation of the degree certificate.

Deadline for applications: 11/06/2019

Tests schedule will be announced before 12/06/2019.
